The Shri way of Learning

SHRI CORE VALUES

From the Director's Desk

Dear Parents,

Namaste!

Our admissions are in full swing and we expect the process to be completed very soon. The vision of our school is to ensure that every child looks forward coming to school everyday to learn and grow in better way. A happy child has a higher probability of growing up into a confident and responsible citizen.

Every child has a unique talent and we believe in nurturing this talent right across from their young age.

At TSUS students will experience a variety of experiential learnings including sports activities and liberal arts.

You will be happy to know about our tie-ups with world class academies that will help enhance the skill level of our students.

We look forward to see you in school soon!

Cheers,
Nageshwar PB,
Director,
TSUS – Chennai

Message from Principal

Namaste!

A school becomes a school only with children in it, till then it is only a building with bricks and mortar.

We are very happy with the admission process. Our intent is not to fill the classroom with children, but to ensure that we partner with parents who believe in our school's philosophy in nurturing children.

We are in the process of expanding our team with staff who believe in our values and philosophies, at the same time, we also respect individuality of all our team members, because I quote," Never give up on what you really want to do. The person with big dreams is more powerful than the one with all the facts."

Parents Orientation, Distribution of Uniforms/Shoes, Books & Stationeries will happen as mentioned on the last page.

Best Wishes,
Mangala Madhavan,
Principal,
TSUS – Chennai
