	APRIL	MAY	JUNE	JULY	AUGUST	SEPTEMBER	OCTOBER	NOVEMBER	DECEMBER	JANUARY	FEBRUARY	MARCH		
THEME	Wk#1 The journey of a thousand miles begins with a single step Wk#2 Health is a state of complete physical, mental and social well-being, and not merely the absence of disease or infirmity Wk#3 It is not the honor that you take with you, but the heritage you leave behind. Wk#4 Books are the compasses, telescopes, sextants and charts which are prepared by humans to help us navigate the dangerous seas of human life.	Summer Vacation	Wk#1 The greatest threat to our planet is the belief that someone else will save it. Wk#2 childhood needs EDUCATION, not child labour and DESTRUCTION Wk#3 The wise mind mourns less for what age takes away than what it leaves behind Wk#4 Save Nature today for tomorrow	Wk#1 Wherever the art of Medicine is loved, there is also a love of Humanity Wk#2 The weak can never forgive. Forgiveness is the attribute of the strong. Wk#3 Justice consists not in being neutral between right and wrong, but in finding out the right and upholding it, wherever found, against the wrong Wk#4 Save Nature today for tomorrow	Wk#1 A true friend inspires you to become the best version of yourself. Wk#2 No More Hiroshima: Build a Nuclear-Free World. Wk#3 Freedom is not just above independence; it is about self discovery and self-realisation Wk#4 The true spirit of sports lies not in winning, but in participating and striving for excellence	Wk#1 Teaching is the profession that teaches all the other professions. Wk#2 Education is the most powerful weapon which you can use to change the world Wk#3 Save the Ozone, Save the Environment Wk#4 Peace is not merely the absence of war. It is a state of mind	Wk#1 Non-violence is the greatest force at the disposal of mankind. It is mightier than the mightiest weapon of destruction devised by the ingenuity of man. Wk#2 Mental health is not a destination but a process. It's about how you drive, not where you're going. Wk#3 Food waste is a tragedy in a world of hunger. Wk#4 Light up the world with love and positivity	Wk#1 Citizenship is the chance to make a difference to the place where you belong. Wk#2 Children are not things to be molded but are people to be unfolded. Wk#3 Coming together is a beginning; keeping together is progress; working together is success. Wk#4 Justice, liberty, and equality are not just words; they are the foundation of our democracy	Wk#1 The only disability in life is a bad attitude Wk#2 Human rights must work to uplift human dignity, not become tools for political gains. Wk#3 Reduce, Reuse and Recycle Wk#4 It's not how much we give but how much love we put into giving.	Wk#1 Even the greatest was once a beginner. Don't be afraid to take that first step. Wk#2 Youth must always be empowered with freedom but along with a sense of responsibility Wk#3 The law of harvest is to reap more than you sow. Sow an act, and you reap a habit. Wk#4 Be loyal to your duties towards country!	Wk#1 A nation is as strong as those who protect it Wk#2 You're braver than you believe, and stronger than you seem, and smarter than you think. Wk#3 Never settle for anything less than what you deserve. It's not pride, it's self-respect. Wk#4 No great discovery was ever made without a bold guess.	Wk#1 Prepare and prevent, don't repair and repent. Wk#2 Little girls with dreams become women with vision. Wk#3 Your products, your rights. Know your right to consume. Wk#4 Everybody talks about the weather, but nobody does anything about it
